

ARGOS USER'S WORKSHOP

**Are you an Australian or New Zealand Argos user?
Or are you interested in learning more about the Argos system?**

CLS in collaboration with UTAS, IMAS and IMOS will be hosting a workshop for Australian and New Zealand Argos users in Hobart, on September 8th following the ASFB-OCS Conference.

Workshop registration is free!

We encourage you to present your research to your peers, so please submit an abstract. For more information, please contact holly@clsargos.com.au

When: Thursday, September 8th, 9:00am

Where: Institute for Marine and Antarctic Studies (IMAS) lecture theatre, Battery Point, Hobart, Tasmania.

Meet other Argos users and share your experiences.

Get the latest information on the Argos system, new developments and future capabilities, and talk with Argos tag manufacturers.

If you are interested in attending or presenting at the ASFB-OCS conference, click here www.asfbconference2016.org

ASFB-OCS Joint Conference
Hobart, 4-7 September 2016
